

Namib Lead & Zinc Mining (NLZM) is a zinc and lead development company with a high grade, low cost development project with access to infrastructure in Namibia. Based in Swakopmund, NLZM is seeking a qualified individual for consideration for the position of:

SAFETY OFFICER

Main Responsibilities:

- Monitor H&S Standards and Procedures on all areas of responsibilities.
- Conduct monthly internal and legal safety H&S, Occupational Hygiene & Ventilation audits/inspections.
- Facilitate Hazard Identification and Risk Assessment process.
- Report, investigate and implement corrective and preventative actions on all incidents.
- Perform fire risk inspections on all equipment on a monthly basis.
- Audit & manage fire-fighting equipment.
- Maintain Emergency Preparedness both surface & underground.
- U/G ventilation monitoring & trouble shooting.

Minimum Requirements:

- Grade 12
- COMSOC or Samtrac qualification
- Internal Auditing Course
- Minimum 5 years as Safety Officer in a mining environment with at least 2 years underground experience.
- Fire Fighting qualification advantage
- Hygiene Experience advantage
- Underground Ventilation Experience advantage
- OSHAS experience advantage
- ISO experience advantage
- Able to work shifts when required.

Fitness: Must pass pre-employment medical for working underground

Benefits: We offer a market related remuneration

CLOSING DATE: 20 MAY 2019

Interested and **suitably qualifying candidates** are to submit a **Comprehensive CV with ALL relevant supporting documentation** by email to recruitment@namibleadzinc.com with the Position Title in the subject line.

Previously disadvantaged Namibians are encouraged to apply.

ONLY short listed candidates will be contacted for interviews.
